TOA ROOF PAINT

100% Premium Acrylic Emulsion for Roof
Excellent Weather Resistance & High Sheen Finishing

TOA Roof Paint is a 100% premium acrylic resin paint with water-based formula. It is durable with extreme weather conditions. It provides high-sheen finishing to your roof. Moreover, it is enduring for UV-lights from the sun, chemical water from the rain, and common scratches. From its durable paint film, it gives an excellent protection and adhesion to roof surface. It also protects the discoloration by efflorescence effect.

Surface Preparation

Ensure the surface to be painted is clean, dry, and free from oil, greases, dirt, and other foreign bodies. Remove all loose powdery residue by brushing, scraping, or using high pressure water jet.
